ABC Suspends License of National Hotel in Jackson
Location must stop selling alcohol until it is compliant with ABC laws

(Jackson) - Investigators of the California Alcoholic Beverage Control (ABC) have posted a Notice of Suspension at the National Hotel located at 2 Water Street in Jackson.

ABC has suspended the license of the National Hotel because alcohol was sold to a minor, the premises had adulterated bottles of alcohol, and it was not serving food as required by their license type.

The National Hotel currently has a Type 47 liquor license, which means to serve alcohol they must have a full restaurant. ABC investigators have discovered their kitchen has been closed, which is a violation.

"A 20-day to indefinite suspension means that the National Hotel in Jackson has 20 days to start a restaurant, in full compliance with the (California) Health Department, or apply to exchange their license for a public premises license," said Lori Ajax, ABC Sacramento District Administrator.

ABC is a department of the Business, Transportation and Housing Agency, which is under the direction of Secretary Dale E. Bonner, a member of the Governor's Cabinet.
